

Winston Hills Netball Club

[An Auxiliary of Winston Hills Sports Club Ltd]

To all players, managers, coaches, parents and friends

Firstly congratulations to all our winning teams and as importantly congratulations to everyone who have helped to develop our players, coaches, umpires and managers. As we reflect on the year we can be very proud of

- High participation rates in the finals
- Increasing numbers of qualified umpires and coaches
- A full and vibrant committee
- Healthy financial situation
- A generous and supportive benefactor (Winston Hills Sporting Club)
- Our first open air movie night

Much of the hard work behind the scenes is left to the few and it is really important to continue to have a healthy and positive netball club that we see new faces on the committee as well as an increasing number of volunteers to help spread the load. A number of people are standing down this year and so opportunities currently exist for key roles as well as a number of support roles. I urge you to consider active participation. It is a lot of fun!

This year we will be jazzing up presentation day and really encourage as many as possible to attend our AGM where you will have the opportunity to understand the strategy for the club moving forward.

This is my last year as your president and I want to take the opportunity to thank everyone for helping to guide Winston Hills Netball. I encourage you all to participate where you can and especially ask for some new blood on the committee as this keeps your club vibrant.

Good luck to everyone for next season and please consider a role on the committee or participation as a volunteer on one of the projects.

Best Wishes

Graham Cassidy
